Subject: State recommendation for Honduras

Hi – I received a 2-page letter from State (dated today) that essentially finds that TPS for Honduras is contrary to national interest of the US, and is no longer appropriate b/c Honduras no longer continues to meet the conditions for designation, and recommends termination.

The letter does not provide country-specific information beyond stating that Honduras has recovered from the disruption in living conditions that resulted from Hurricane Mitch in 1999, nor does it go through the Q&A format of letters of the past. Rather, it provides a reminder of Sec. Rubio's Jan. 22, 2025 foreign policy statement that says DOS will no longer undertake actions that facilitate or encourage mass migration.

I have the letter in my possession. Would you like a copy of this at this time, or is this synopsis sufficient for your drafting of the recommendation memo? We will surely put the letter in the AR.

Sam
